Director: Alfreda D. Turner

HCH Coordinator: Nancy Scanlon

Medical Director: Henry Nusbaum, MD, MBA, MPH

UDS Number: 011830

Project Description

The Charter Oak Health Center's (COHC) Health Care for the Homeless Program provides medical, dental, behavioral health, HIV testing/counseling/education, and case management services to persons who are homeless in Hartford.

Services

The HCH Program provides services through physicians, mid-level providers, registered nurses, a certified nurse-midwife, dentists, licensed clinical social workers, and HIV staff at Charter Oak Health Center and at shelters and soup kitchens throughout Hartford. The HIV staff provides education, counseling, testing, and case management. There are seven licensed primary care locations at shelters: Immaculate Conception Shelter, McKinney Shelter, St. Elizabeth's House, House of Bread, YWCA Shelter, South Park Inn, and Open Hearth Shelter. Except for McKinney Shelter, these locations are also licensed to provide outpatient behavioral health and substance abuse services. Nursing services are provided at Loaves and Fishes Ministries. While a significant number of services are provided on-site at the shelters and soup kitchens, patients are referred to Charter Oak Health Center (or the provider of their choice) for all dental services, complex primary care services, and radiology services.

Linkages

Specialty services not available at a COHC facility are provided through referral to providers and agencies throughout the Hartford community. Emergency health care and inpatient services are provided by referral to a local hospital. The HCH Program has linkages with a variety of medical sub specialists and two pharmacies. The Homeless Outreach Team (HOT) works with homeless teams to provide assessment and intervention to homeless clients in need of mental health and substance abuse services. Crisis intervention is available during the evening and on weekends. The HCH Program collaborates with the City of Hartford Health Department on a TB screening program in shelters.

Statistics

Estimated homeless population: 2,920 Patients served: 1,366

Medical Director: Susan Hadley, MD

UDS Number: 012080

Project Description

"Wherever you are" is a health care for the homeless team that goes to where clients are located in three cities and in three key location types: homeless shelters, domestic violence shelters, and street locations. The team includes mobile medical, dental, mental health/psychiatric, and substance abuse/eligibility services.

Services

Medical services include adult, pediatric, and women's health, all in the field with direct links to CHC sites for more extensive care in the areas of HIV, podiatry, obstetrics, and chronic disease management. Dental services include mobile, hygiene, prevention, sealants, and x-rays with referral back to CHC sites for restorative care. Mental health/psychiatric services include mobile assessment, diagnostic, and treatment by a psychiatric APRN with referral to other community organizations as needed. A psychiatrist is available for phone consultation at all times. Pharmacy is a small formulary of pre-filled and pre-labeled scripts for most commonly encountered, noncontrolled substance prescriptions, such as antibiotics, respiratory medications. Eligibility/outreach case management, including on-site/online completion of applications for assistance, is also provided. The program conducts substance abuse case management, making referrals into established systems of care.

Linkages

Community Health Center has linkages to New Horizons Domestic Violence Program, Prudence Crandall House, Crysallis domestic violence shelter, Eddy Homeless Shelter, Shephard Home Homeless Shelter, Salvation Army Homeless Shelter, Friendship Service Center of New Britain, Inc., and St. Vincent de Paul Homeless Shelter.

Statistics

Estimated homeless population: 6,172 Patients served: 2,500

Medical Director: Morton Glasser, MD
UDS Number: 010220

Project Description

Generations Family Health Center (GFHC) has sites in Danielson (Killingly), Windham, and Norwich.

Services

GFHC provides health care, prevention education, and outreach at community based health centers, dental and medical vans, and community sites. Referrals are made for substance abuse and mental health services.

Linkages

Generations has linkages with Reliance House, Southeastern Mental Health Authority, Windham Regional Community Council, United Services, Perception Programs, Access Agency, and Thompson Ecumenical Empowerment Group. Linkages with hospitals, shelters, food banks, and soup kitchens are enhanced by Continuum of Care Teams in Norwich, Willimantic, and Danielson. Social Service agencies and State DSS offices provide entitlement assistance.

Director: Cornell Scott

HCH Coordinator: Toni N. Harp

Medical Director: Karen Michels, MD

UDS Number: 010070

Project Description

The Greater New Haven Homeless Health Care Network is operated through the Hill Health Corporation and serves persons who are homeless in the Greater New Haven area.

Services

Through a mobile team, the project provides primary medical care, on-site health screening, psychosocial rehabilitation, case management and referral to individuals who are homeless, homeless and runaway youth, families, and children residing in homeless shelters and those without shelter. It also provides follow-up medical and post-operative care for homeless persons who are released from local hospitals. Primary medical care is provided through satellite clinics located in shelters throughout the city and door-to-door services provided at emergency family shelters, emergency shelter motels, and transitional housing. Referrals are made to Hill Health Center's main site and outreach is conducted at soup kitchens, local parks, and other nontraditional sources of shelter. Through enhanced funding, bilingual culturally sensitive services are provided to homeless individuals at the Grant Street Shelter. The project employs 1.8 FTE mid-level primary care providers, 1 FTE registered nurse, 2 FTE case managers, and 2 FTE social workers.

Linkages

Linkages occur in three main areas: social/human services, treatment services, and the Greater New Haven Homeless Health Care Advisory Committee, a coalition developed to support the array of services that are available to persons who are homeless. Social services include assistance in obtaining entitlements, housing subsidies, legal services, employment and job training, and child care. Treatment-related linkages exist with Connecticut Valley Hospital Dutcher Hall (a residential treatment and detoxification facility), South Central Rehabilitation Program (a detoxification facility), Grant Street Partnership (a local drug treatment program), APT Foundation (provides outpatient treatment and a methadone maintenance program), and a number of organizations which provide assistance to clients with AIDS. The Connecticut Mental Health Center, a community mental health center, accepts referrals of clients in need of long-term mental health care. Two area hospitals, Yale New Haven Hospital and the Hospital of St. Raphael, provide emergency services and inpatient care to clients who are homeless.

Medical Director: Richard Torres, MD, FACP
UDS Number: 011270

Project Description

Optimus Health Care is the leading provider of health care services to uninsured, medically indigent, and low income residents in Fairfield County. It provides comprehensive preventive and health care services through 11 facilities in Bridgeport, Stratford and Stamford. The HCH program is operated by the Stamford Community Health Center in lower Fairfield County.

Services

Services include health education, oral health, mental health, and substance abuse. Services are provided at Shelter for the Homeless, Covenant House of Hospitality (soup kitchen), and at health center sites. The team comprises a full-time FNP, LPN, primary care case manager and nutritionist. The program also offers tobacco cessation services to its clients in collaboration with various behavioral health agencies. The HCH program will be implementing an electronic medical record system through out all its services sites in the spring of 2007. Also, the HCH program participates in the 340b Pharmacy program in partnership with Slavin's Pharmacy.

Linkages

Linkages include the U.S. Department of Housing and Urban Development (HUD) Greenwich/Stamford Continuum of Care, Shelter for the Homeless, F.S. Dubois Center, Laurel House, Viewpoint Recovery Program, St. Luke's Family Life Works including Stamford Hospital, and the City of Stamford Health Department.

Medical Director: Bashi Chaddha, MD

UDS Number: 010810

Project Description

Southwest Community Health Center (SWCHC) is a nonprofit agency providing comprehensive health care for medically underserved individuals in Southwestern Bridgeport since 1977. McKinney Health Care for the Homeless, which serves the Greater Bridgeport area, has been funded since 1987 and provides a full range of services.

Services

The goal of the Health Care for the Homeless Program is to provide a full range of services to medically underserved persons and families in the greater Bridgeport area. Assisting the working poor, including recent immigrants, to gain access to SWCHC's health care services is also an ongoing program goal. The HCH Program provides primary medical care and/or specialty care services, including behavioral health care, HIV/AIDS outreach, education, counseling/testing, in-house referrals for dental care, mammography, chiropractic, OB/GYN, nutrition, orthopedics, I.D., domestic violence, hepatitis C and G.I. treatment, and interagency referrals for vision, cardiology, dermatology, urology, radiology, and counseling.

The McKinney Program has nine licensed outpatient clinic rooms in area shelters/programs and two licensed walk-in homeless clinics open five days a week. Clients of 29 other area shelters/programs are also seen at the clinics.

The New Access Points Initiative continues in the McKinney Program. This includes the additions of a bilingual (Spanish/English) family nurse practitioner; an LPN/case manager; weekly health screenings at three large church-supported soup kitchens; and visits to the city homeless shelters three evenings a week.

SWCHC provides Mon. & Tues. 1:00-4:30 pm, Wed. 9:00 am-12:00 pm, Thurs. 9:00 am-6:00 pm, Fri. 9:00 am-4:30 pm homeless walk-in clinics and distributes leaflets in the area to promote the use of services. Weekly health promotion activities are held at area markets, diners, schools, elderly housing sites, fairs, parks, and soup kitchens.

Linkages

Various community agencies accept referrals and support the activities of the HCH Program. Linkages include the Bridgeport Hospital Community Advisory Committee, Bridgeport Rescue Mission, HealthWay (a consortium of local health agencies serving more than 40,000 people), Greater Bridgeport Area Continuum of Care, United Way Regional Council for the Homeless, Bridgeport area 10-year Plan to End Homelessness, and the HCH Clinicians' Network.

Director: Donald J. Thompson, MPS

HCH Coordinator: Christine S. Bianchi, MSW, LCSW

Medical Director: Sunil D'Cunha, MD

UDS Number: 012410

Project Description

StayWell Health Center has formed a Healthcare for the Homeless partnership with two local shelters (St. Vincent DePaul Shelter and Salvation Army), Waterbury Hospital, Greater Waterbury Interfaith Ministries (G.W.I.M.), and Greater Waterbury Mental Health Authority to design a comprehensive service delivery system to meet the needs of homeless individuals. Bilingual, bicultural providers and translators will be employed for those who do not speak English.

Services

Medical and mental health services are provided at three locations, including shelters and Greater Waterbury Mental Health Authority. Dental hygiene services are provided on-site with the use of mobile equipment. Follow-up treatment visits are scheduled at a nearby dental center. Outreach is coordinated with existing community resources through Continuum of Care members. G.W.I.M.'s Soup Kitchen at St. John's Church is a primary location for relationship-building and outreach, where providers conduct initial health care screening and provide specialty clinics, such as flu vaccines and blood pressure checks. Substance abuse or dual diagnosis services are referred to the Morris Foundation. All service delivery is provided within close proximity to local shelters.

Linkages

StayWell Health Care has linkages with Outreach West, Workforce Investment Board, United Way, Waterbury Hospital, New Opportunities, Waterbury Health Access Project, CREDO, Waterbury Development Corporation, Neighborhood Housing Association, St. Vincent DePaul Shelter, St. John's Soup Kitchen, Greater Waterbury Interfaith Ministries, Greater Waterbury Mental Health Authority, and Salvation Army Shelter.
