Project Description

The Homeless Health Care Program is operated by the Community Health Center of Burlington. It contracts and/or collaborates with five local non-profits to provide a wide range of service to its clients. The program provides medical, dental, and behavioral health care to people experiencing homelessness. The program also provides outreach, case management, and supportive housing services.

Services

The centers of operation include the main site at the Community Health Center of Burlington, the adult and family homeless clinic, called the Safe Harbor Clinic, and the Pearl Street Clinic for homeless and runaway youth. Services include primary health care, dental care, mental health and substance abuse counseling, outreach, referral, case management, homeless veteran's services, and HIV/AIDS testing and counseling.

Linkages

Linkages include Committee on Temporary Shelter, Visiting, Spectrum Youth and Family Services, Burlington Housing Authority, Burlington Community Land Trust, Champlain Valley Office of Economic Opportunity, Chittenden Emergency Food Shelf, Fletcher Allen Health Care, Veterans Administration, Salvation Army, Burlington Emergency Shelter, Legal Aid, Lake Champlain Housing, United Way, St. Joseph's House, Imani Health Institute, and Women Helping Battered Women.

Statistics

Estimated homeless population: 1,500 Patients served: 1,271
