Expanding Access to Housing & Health Care through Policy & Community Collaborations

PRE-CONFERENCE INSTITUTE
MAY 15, 2018
FINDING COMMUNITY

- Acknowledging change in the midst of change
- Identifying common issues amid a wide range of experiences
- Finding support
- Continuing —and improving—our work
AGENDA

• **Lay of the Land:** Assess the issues at the federal level as they may impact access to health care and housing

• **Medicaid Waivers:** Illustrate how waivers are being used to expand access, and look at two states at different points of implementation

• **Hennepin Health:** Discuss how a Medicaid ACO incorporates social determinants of health

• **Hospitals & Housing:** Explore two partnerships with hospital systems to expand access to housing

RECAP: THE YEAR IN REVIEW

- **Last spring/summer:** American Health Care Act & the Better Care Reconciliation Act
  - Block grants/caps to Medicaid, repeal Medicaid expansion, cap spending, repeal ACA in general, waive consumer protections
- 90% cut to outreach & enrollment funding / 40% cut to Navigators
- Executive Order Promoting Healthcare Choice and Competition
- Elimination of insurance mandate in tax legislation (effective CY2018)
RECAP: THE YEAR IN REVIEW

• **Last fall/winter:** Health center funding cliff
  → $3.6 billion of health center funding expired on September 30, and was not reauthorized until **February 2018**.
  → Reauthorized health centers, NHSC and teaching health centers for an additional 2 years
    → FY2018: $3.8 billion
    → FY2019: $4.0 billion
    → FY2020: Another cliff
  → Additional $600 million will include expansion opportunities for behavioral health and health integration activities
REDUCING POVERTY THROUGH WORK

April 2018 EO: Reducing Poverty in America by Promoting Opportunity and Economic Mobility requires 8 Cabinet Secretaries:

➢ To conduct comprehensive review of all benefits and services & assess ability to impose work requirement

➢ Assess all public benefits that go to “non-qualified aliens”
Housing & HUD

FY18 Budget

- Homeless Grants: $2.5B (+$130M)
- Section 8 (tenant): $22B (+$1.7B)
- Section 8 (project): $11.5B (+$699M)
- Public housing (capital): $2.8B (+$808M)
- Public housing (operating): $4.6B (+$412M)
- CDBG: $3.3B (+$300M)
- HOPWA: $375M (+$19M)

Policy

- New legislation: Making Affordable Housing Work Act
- 30% → 35% income/rent
- Minimum rent: $150/month
- Work requirements
- Eliminate income deductions
- Potential time limits
- Unlimited ability for HUD to raise rents further
SNAP & “THE FARM BILL”

- HR 2: The Agriculture and Nutrition Act of 2018
- 41 million current recipients
- House Agriculture Committee has approved the following:
  - Eliminate state option to adjust assess tests
  - Eliminate state ability to coordinate with low-income energy payments
  - Eliminate state option to waive work requirements
  - Establish work requirements for those aged 18-60 to 20 hours/week or lose eligibility for 1 year. Must demonstrate compliance every month
  - New funding for job training programs
- Likely impacts 1 million households (2 million people)
CMS G UIDANCE ON WORK

“CMS will support state efforts to test incentives that make participation in work or other community engagement a requirement for continued Medicaid eligibility…”

→ Align with SNAP or TANF rules

→ Protections for those with disabilities, those who are medically frail, those with SUD in treatment

→ No federal Medicaid funding for supports to meet work requirements

CMS State Medicaid Director letter 18-002 re: Opportunities to Promote Work and Community Engagement Among Medicaid Beneficiaries, January 11, 2018
