A quick note on legality

Advocacy versus Lobbying

The process of making your voice heard on an issues that affects your life and the lives of others. This includes education, outreach, data sharing, relationship building, and lobbying.

Nonprofits and health centers can and should engage in non-lobbying advocacy and there are no legal restrictions.

Activities that are in support or opposition of a specific piece of legislation.

Nonprofits and health centers can lobby, but with restrictions.

→ **Private citizens can engage in unlimited advocacy and lobbying.**

→ Obtain permission from your employer before identifying with them for congressional lobbying or advocacy.

→ When in doubt, identify as a private citizen.

“Hi my name is Danielle and I’m a doctor serving very low-income people in Minneapolis. I’m here today representing myself as a private citizen.”
